

Family Strengthening Education Program Volunteer Positions

Parent Course Facilitator: Assists the Parent Development Coordinator in facilitating the Family Strengthening Parenting Course. The Parent Course Facilitator will assist in taking notes, implementing activities, assisting in debriefs, and leading groups once familiar with the curriculum.

Children's Education Facilitator: Ensures that participating children remain safe and comfortable during class time; volunteers may implement and facilitate curriculum for different ages during group. The youth curriculum is trauma-informed and achieves healthy relationships through constructive play, interactive activities, and reading time.

Subject Matter Expert: Subject matter experts are someone who specialized in a specific topic. This person will be willing to present to parents or children on the topic they specialize in. Topics include but are not limited to: Child Development, Special Education, Sex Education, Internet Safety, Housing, Mental Health, Health Care, and services your organization offers.

Resource Volunteer: The resource volunteer will assist with keeping the resource room neat, logging inventory, and placing new donations in the correct location.
